The amount collected ~~taxxx

The collection work in the Mavoor Agency has not been as satisfactory as was expected to be. The Honorary Agent, Mavoor, has reported that the seasonal conditions in the Pullurguda group villages were unfavourable and hence the collection suffered regarding Channamapet, the collections have been practically little and the arrears are mounting. The Honorary Agent also reported that the ryots had organised a sort of no tax campaign and have become rowdy and unruly. Action has however been taken to file rent suits in most of the cases and also push on with execution proceedings vigorously. The question of obtaining all possible assistance from the local authorities is also under correspondence regarding the heavy arrears remaining to be collected from Mavoor Basapur village, complete accounts of Peruma, collection and balance and Mulkanoor Bahipattis are received only in the first week of July this year from the Mukteyar, Mavoor Basapur. Useful further action will be taken for the recovery of these arrears during the course of the current year.

Statement III shows the demand, collection and balance of rent in cash and kind in respect of the several minor inam lands and other lands belonging to the Mallikarjuna Swami.

The arrears at the beginning of the year (as revised) amounted to Rs. palas and 48 seers paddy, 125 maunds and 41 seers of grain and Rs.4187/- cash. It is found that some of the large items in the balances outstanding will not be realisable. The records will be submitted for orders of remission in due course. Efforts are being made for the realisation of recoverable

Efforts are being made for the realisation of recoverable arrears.

Efforts are being made to recover the balance.

Well Works:- Two well works (Anegunda and Hosakoppa) were completed during the year and three well works, viz., Bhutana-kodige, (1939-40), Thekkur(1940-41) and Bennegudde were completed upto ground level. The total outlay incurred during the year was Rs.483-8-0.

General:- The funds at the credit of the panchayets are meagre and do not permit any of the village panchayets to take up

works of an extensive nature, though they are evincing keen interest, in his Samaja.

Muzrai Administration:-

The internal managementof all the Muzrai Institutions vests in His Holiness the Jagadguru of Sri Sringeri Mutt, as per G.O.No.839-41/Muz.163-38-2 dated 26th November 1938.

1. Sri Mutt, temple and Annachatram at Sringeri:- The daily worship and other special and periodical functions in all the temples at Sringeri and the daily feeding at Annachatram were satisfactorily conducted during the year under report. The Navarathri festival which is one of the most important functions here was celebrated on a grand scale. There was an unusually large gathering of devotees during this year. Every function connected with Navarathri festivities which lasted for 15 days was arranged with utmost care and it was a grand success. The total expenditure for the Navarathri festivities was Rs.12,450/-.

2. Educational Institutions:- As in previous year, Five Pathashalas were continued to be maintained by the Sri Sringeri Mutt during the year including the Pathashalas at Kaladi and Bangalore. The progress of these institutions is reported to be satisfactory. Final examinationsof the old batch of students were held in the Pathashalas at Kaladi and Sringeri. New batches of students were entertained in both the places.

Cash grants were continued to be paid to the following educational institutions as in previous years.

1) Deaf & Dumb school, Mysore Rs.180/- per annum.
2) Pathashala, Mysore. Rs.180/- per annum.
3) Ubhaya Vedantha Sabha, Melkote. Rs. 60/- per annum.
4) Veda Sanskrit Pathashala, Vani Vilas Puram. Rs.60/- per annum.
5) Pathashala Bharathi Pathashala at Ramaseramma. Rs.60/- per annum.

3. Branch Mutts and temples in and outside the Mysore State:- There were 17 Branch Mutts and temples in and outside the Mysore State as

last year. The management of the several Branch Mutts and temples was in charge of the local managers appointed by the Sri Mutt. The conduct of daily worship and Netchukatle poojas in the several Branch Mutts and Temples was satisfactory during the year under report.

The Institutions at Bangalore and Koladi were treated as endowment institutions. The former is now under the direct control of the Officer-in-charge, as Mr.P. Suryanarayana Rao, B.A., Retired Assistant Commissioner and Dharmakartha, in charge of its management was relieved of the charge from 5th September 1943. There is a local Peshkar who works under the control of the Officer-in-charge. The Koladi Institutions continue under the management of the local Superintendent, who is a salaried servant of the Sri Mutt, and is responsible to the Officer-in-charge.

The Branch Mutt at Sokarne continued to remain in the hands of others. The appeal filed in the Karwar District Court is yet pending.

The dispute between the local Municipality and Government of Bombay on the one side and the Sri Sringeri Mutt on the other in the matter of the ownership of an open site adjoining the Sri Sringeri Mutt at Nasik, is still pending in the District Court at Nasik.

In the matter of the recovery of the compromise decretal amount and arrears of annuity due in the late Sreepathi Venkateswara Rao Panthulu Legacy case, the execution proceedings were continued in the Bezwada Court. A sum of Rs.6300/- was received during the year under report. As the Bezwada Court disallowed interest on the arrears of annuity, the above amount would satisfy all arrears of annuities due upto and inclusive of that of 1942 together with costs incurred therefor. Final accounts have yet to be received from the Vakil though the execution proceedings have practically closed. It is ascertained that the annuity for 1943 has been deposited in Masulipatam District Court. Needful action will be pursued for withdrawing that amount. The question of filing an

appeal against the order of the Pezwada Court disallowing interest due on the annuities was dropped in view of the legal advice of the Sri Mutt Advocate Mr.M. Subbraya Iyer of Madras.

Cash grants were ~~continued~~ continued to be paid to the following institutions from the funds of the Sri Sringeri Mutt during this year also.

1.	Kalasi temples:-	Rs.2,000/- a year.
2.	Srinivasapura.	144/- a year.

4. Minor muzrai institutions in Sringeri Sub Taluk, under the management of the Sri ~~Mutt~~ Sringeri Mutt:-

There were 50 institutions under the management of the Mutt during the year under report. Except Sri Rameswaraswami temple in Bheemanakatte in Thirthahalli Taluk and Kamaleswaraswami in Kamoli village, Shimoga Taluk, the rest are all situated in Sringeri and Taluk.

Scales of income and expenditure have been fixed in kind and cash in respect of all these institutions. The opening balance at the credit of these institutions at the beginning of the year was Rs.32,044/-. The receipts during the year under report were Rs.27665/-. Out of the total of Rs.59,919/-, a sum of Rs.19,004/- was spent for maintenance of the various institutions leaving a balance of Rs.40972/- at the end of the year.

The arrears on 1st July 1943 amounted to 1737-46½ pallis paddy; 546-64¼ areca and Rs.4398-12-0 in cash. The demand during the year under report was 1521-29½ paddy, 400-27, areca, 2269-12-5 in cash making a total of 3258-76 paddy; 1012-52

areca

and Rs.6668-8-11 cash. Out of this, Pallas.1529-98 seers paddy maunds.420-seers.38½ areca and Rs.3255-6-9 were collected leaving a balance of pallas 1728-77½ paddy, maunds.59-seers.13¼ areca and Rs.3413-2-2. The major portion of the arrears relate to Sri Gurugala Devaru and Sri Mallikarjunaswamy temple. It is also seen that the bulk of the arrears consist of irrecoverable items. The records are being traced and examined and will be submitted for orders of remission,etc. Action is however being taken for the recovery of each of the arrears as are realisable.

III.(i) Public Works:- As usual 7½% of the local cess - realised , viz., (Rs.1694-4-6) has been credited to P.W. deposits. The roads in the Sringeri Jahagir are maintained by the Department of Public Works in a fairly good condition.

Repairs to some tanks in Harikare group [illegible] villages was sanctioned in G.O.No. [illegible] dated [illegible] and a sum of Rs.489/- was placed at the disposal of the Executive Engineer, Shimoga. It is learnt that some of the works were executed during 1943-44. Completion reports and final accounts have not yet been received.

a) Irrigation works:- Repairs and improvements [illegible] works to the value of Rs.1390-14-0 were done in Kuruthakal - and pullungudi group villages, Pudurvasai and Bhandanadi in Madura Agency.

b) Annual Repairs to Mutt Buildings:- Annual repairs to Mutt buildings at Sringeri to the extent of Rs. [illegible] were executed during the year under report. Some minor and petty repairs were effected in the Harikare Mutt houses and for the buildings attached to Sri Shankara Mutt, Bangalore. Certain repairs (extra works (excluding ordinary works) and improvement works also [illegible] for Kadur, Mudgal, Kudremukh Mutt buildings during [illegible], were not taken up during this year also on account of existing conditions.

IV. Income and Expenditure:- Statement III shows the income and expenditure of the Sri Sringeri Mutt and its properties, for the year under report.

The income during the year under report under all Revenue heads amounted to Rs.1,87,553/- as against Rs.1,70,663/- of the previous year and Rs.1,75,126/- as estimated in the sanctioned Budget. The expenditure charged to Revenue amounted to Rs.1,57,426/- as against Rs.1,52,456/- of the preceding year and Rs.1,53,667/- provided for the Budget. The closing balance at the end of the year was - Rs.70,263/- excluding the sum of Rs.99,500/- representing the net investments of the year, as against Rs.1,36,678/- of the preceding year.

Income:- The total income under several Revenue heads during the year under report was Rs.1,87,553/- as against the budgetted estimate of Rs.1,75,126/-. The noticeable variations under - important Budget heads are detailed below:-

A. Sringeri Jahagir:- 1. Land Revenue:- The income during the year was Rs.34,208/- as against the estimate of Rs.34,305/-. The slight decrease is due to the fact that remission of garden assessment on Nagayet lands and rent in kind ~~xx~~ in respect of Devadaya Inam lands was pending sanction at the close of the year.

2) Lands in the Khate of Sri Sharadambanavaru:- The income derived under this head is Rs.4218/- as against 4030/- anticipated and the increase is due to better rates obtained for both areca and paddy.

5) Abkari:- The income under this head was Rs.28,754/- against the budget estimate of Rs.25,494/-. The increase is due to good sales of special liquor and arrack during the year and consequent increase in the receipts on account of duty.

6) Forest:- The income under this head was Rs.2912/- as against Rs.9590/- anticipated. The fall in income under this head is due to the fact that sandal collection work was not taken up during the year under report for reasons of paucity of labour, high cost on account of wages etc., prevailing in these parts.

B. Whole Inam villages, Minor Inams and similar lands belonging to Sri Mutt, inside the State:-

The total income under this head was Rs.50,262

The total income under this head was Rs. 50,362/- as against the budget estimate of Rs.35,959/-. The increase is partly to better collections and partly due to the fact that accounts for the year 1942-43 in respect of some properties were received during this year and entered in the accounts of this year. The collection work in the several villages inside the state was on the whole satisfactory.

6.1. Inam villages in British India:- There is a fall in income under whole Inam villages wherein it is Rs.15,265-8-0 against the budget estimate of Rs.18250/-. This is due partly to bad seasonal conditions in some of the Inam villages of Madura Agency and partly to the fact that there is yet a balance stock of 182 Kalams of paddy to be sold, with the Honorary Agent, Madura. The value of the same works out to about Rs.2640/- at Rs.20/- per Kalam and this will make up the deficiency. The Honorary Agent has been asked to dispose of the same immediately.

6.3. Rents on Mutt Buildings:- The income under this head is Rs.2995/- as against the estimate of Rs.2160/-. The increase is due to the fact that the accounts of Madura Mutt from 1940-41 were received during the year and the receipts on accounts of rents realised have been transacted in accounts this year.

6.4. Other Sources:- The income under this head was Rs.1118/- as against Rs.2145/- anticipated. The fall in income is due to non receipt of annuities due from some of the States. The matter is under correspondence.

6.5. Grants and Endowments:- The income anticipated was Rs.5450/- and the income realised was Rs.7577/-. The increase is due to higher dividend obtained on the 25 shares of the Sri Mutt held in Sri Ghanda Bank, and recovery of arrear annuities etc., in late Madapati Venkateshwara and Panthula legacy case in which execution proceedings were vigorously pushed through during the year.

F. chara Vichara Kanikas etc. There is a fall in income under this head, the same being Rs.184/- as against the estimate of Rs.400/- these are contributions of a voluntary nature. Besides the Achara Vichara Dharmadhikari was not able to tour out extensively for - reasons of illness and transport difficulties, resulting in decrease of collections.

E X P E N D I T U R E.

The total expenditure under the several heads during the year under report was Rs.1,57,423/- as against the budget allotment of Rs.1,53,687/-. The increase in expenditure is mainly due to the high cost of food and other commodities under (B) Muzrai. The only noticeable increase in expenditure under (A) Administration charges is under A.II.7, Law Charges but there has been a general savings under this head, the general total expenditure(under A - Administration) being Rs.73,769/- against Rs.80,541/- provided for in the budget.

The important variations under minor heads are noted below:

A.I.(2) Taluk Office:- The expenditure incurred was Rs.3790/- as against the Budget provision of Rs.3510/-. The increase is due to the fact that the Deputy Amildar, Sringeri, was on leave for nearly two months and the leave allowances were an extra charge for the period. Action has been taken separately for adjustment to Mutt funds of the portion due from Government towards the leave allowances Secondly, no ppovision had been made for the grant of dearness allowance to the Deputy Amildar since it was sanctioned with effect from December last.

A.I. 3. Hobli Establishment:- There is a decrease in expenditure under this head. This is because of the fact that contributions payable by the Sri Mutt towards the establishment of the Muzrai Commissioner was not paid during the year.

A.I.6.Forests:- The expenditure incurred was Rs.976/- as against the budget provision of Rs.2214/-. The decrease is due to the fact that sandal collection work was not taken up during the year as has been explained supra. The net savings under this head amount

to Rs.1238/-.

A.I. 7. Public Health:- There is a savings of Rs.250/- as no lymph etc., were purchased during the year.

A.I.8. Menials:- There is a savings of Rs.235/- which was due to nonavailability of men in these parts on account of high rates of wages they could easily earn elsewhere.

A.I.10. Travelling Allowance:- The expenditure under this head was Rs.1380/- against Rs.1500/- provided for. There is a savings of Rs.120/- due to the fact that extensive touring had to be given up on account of ill health of His Holiness.

A.I.11. Interest:- The savings of Rs.170/- is due to the fact that payment of interest due to Sri Sharada Pank, Sringeri, was not made during the year.

A.I.12. Agricultural Improvements:- The savings of Rs.739/- (allotment 1962 - Expenditure.1223/-) is due to non purchase of oil and spare parts required for the engine in the Narasimhavana which was not put into use much.

A.I.13. Annual Repairs to Roads and buildings:- The Budget provision was Rs.8000/- and the expenditure incurred was Rs.6056/-. The decrease is due to the fact that no large scale improvement or repair works were taken up during the year owing to high cost of material etc.

A.I.14. Land Revenue and Cesses:- The expenditure under this head was Rs.7789/- as against Rs.7368/- provided for in the Budget. The excess is due to payments of Land Revenue and cesses made in 1942-43 having been transacted in the Mutt accounts during the year owing non receipt of the accounts in respect of some properties in that year in time.

A.I.15. Motors:- The Budget provision was Rs.1064/- and the expenditure incurred was Rs.1326/-. The excess is due to the purchase of a set of tyre and tube and a battery at a cost of Rs.245/ which were not anticipated and provided for in the Budget.

A.I. 18. Pensionary Contribution:- The slight excess in expenditure is due to the fact that contribution had to be paid for the Deputy Amildar, Sringeri, (who was on leave) as also for the new incumbent for a period of two months.

A.I.22. Law charges:- Bills were not received from the lawyers conducting the various legal proceedings. Hence Rs.252/- was only incurred as against the provision of Rs.1000/-.

A.I. 27. Unforeseen charges:- The excess expenditure (Rs.1000/- allotment - 1154 expenditure) is mainly due to misclassification of certain small items of expenditure which should have been debited to other heads.

A.II. Management charges of Estates on lands outside the State:- There has been some misclassification of certain charges incurred under the minor heads, viz., A.II.1, 2 and 4., the total of three items not exceeding the total allotment. It may also to be stated that dearness allowance was ordered to be granted to certain employees of the Sri Mutt in Madura Agency and this has not been included in the allotments fixed while framing the budget.

A.II.7 Law charges:- The original budget allotment was Rs.1500/- Sanction of an additional allotment of Rs.3000/- was obtained as per G.O.No.A.3650-61/Muz.35-40-10 dated 26th May 1944 and as against the total provision of Rs.4500/- the amount spent is only Rs.3782/-. The increase in expenditure was due to filing of large number of rent and other suits in Chinnamapet and Madura agency villages.

A.II.5 & 6. Contingencies and Travelling Allowance:- The remaining allotments provided were respectively Rs.360/- and 1120/- and the expenditure was Rs.557 and 1218. This is mainly due to heavy expenditure incurred by the Honorary Agent, Madura, in connection with the various suits. Certain items of expenditure which should have ordinarily been classified as miscellaneous have also been debited to the head contingencies.

A.II.9. Land Improvements:- Repairs and improvements of tanks etc., in Madura Agency were effected, the value of the work being -

Rs.1140-14-0, only urgent works requiring immediate attention having been taken up in view of the high cost of materials,etc.

A.III.1. Branch Mutts and Temples inside the State:- The expenditure incurred under this head was Rs.3302/- as against the allotment of Rs.4177/-. There was a saving of Rs.875/- under this head.

A.III.2. Branch Mutts and Temples outside the State:- The total expenditure under this head viz., Rs.8046/- has slightly exceeded the budget allotment viz., Rs.7995/-, the noticeable increase being under three minor heads - Metchukatle, Lighting and Madapati Charities. The increase in expenditure under Metchukatle and lighting was due to the inclusion in accounts of the expenditure under the head, of Madura Mutt for the year 1940-41 and 1941-42, as also due to increased expenditure incurred in the Nasik Mutt during the year owing to high rates of commodities prevailing. In the case of Madapati Charities, the excess expenditure of Rs.358/- is due to high cost of food commodities, required for the maintenance of Ayathi Sathra at Benares. However the total expenditure under the head has exceeded only slightly over the Budget allotment.

B. M U Z R A I.

The total expenditure under this head was Rs.83,634/- as against Rs.73,146/- provided for in the budget, resulting in an excess expenditure of Rs.10,488/-. The excess, it has to be explained, was mainly due to the high cost of essential food commodities required for Nityakatle and Metchukatle services in the various temples, the scales being fixed in terms of rice and not in cash. The expenditure on Pantharpanas during Navarathri and other occasions was also comparatively greater this year partly on account of higher prices of materials and partly due to larger number of devotees, visiting Sringeri which could not be restricted. While this is the position, needful care and supervision has however been exercised to minimise wastage and loss incidental on such

occasions in a manner calculated to bring about better economy in expenditure. The noticeable variations are noted below:-

B.I.1. Khasa Department:- The Budget provision was Rs.9932/- and the expenditure actually incurred was Rs.10,921-5-0. The excess is due to higher prices of materials that prevailed in the year. The expenditure under the following heads is also due to the same reason.

	Budget Provision. 1920.	Expenditure 1928	
1) Raja Shala.			
2) Matha Shala.	3026.	3085	
3) Goshala.	3512.	4079	The excess expenditure is due to
4) Sringeri Satashala. (including the Boarding home attached to it.).	5398.	6038	prevailing high rates for fodder.

In the case of the Muzrai General Establishment, B.I.7. the budget provision was Rs.5792/- and the expenditure incurred was Rs.6245/-. The increase is due to payments of remuneration in kind made to certain employees of the Sri Mutt in accordance with a scale fixed therefor, the price of paddy having been higher than that estimated.

B.II. Temples in Sringeri:- As against a provision of - Rs.23,212/- an expenditure of Rs.27,609/- was incurred owing to high prices of commodities recuired for Nityakatle and Metchukatle and Navarathri functions.

	Provision.	Expenditure
B.III. Annachatram at Sringeri.	Rs.4256/-	6,426/-
B.V. Miscellaneous.		
1) Reception to guests.	1300/-	2,641/-
2) Udugorai.	800/-	815/-
3) Repairs and miscellaneous.	1100/-	1,875/-.

The increase in all the above cases is due to - increased cost for provisions etc., that prevailed as explained above. There has been a savings under the head, B.IV Lighting to the extent of Rs.514/-.(Provision Rs.2486/- - Expenditure, Rs.1972/-) which is due to control in supply of Kerosene oil.
